STUDENTS DO THEIR THING IN CLASS

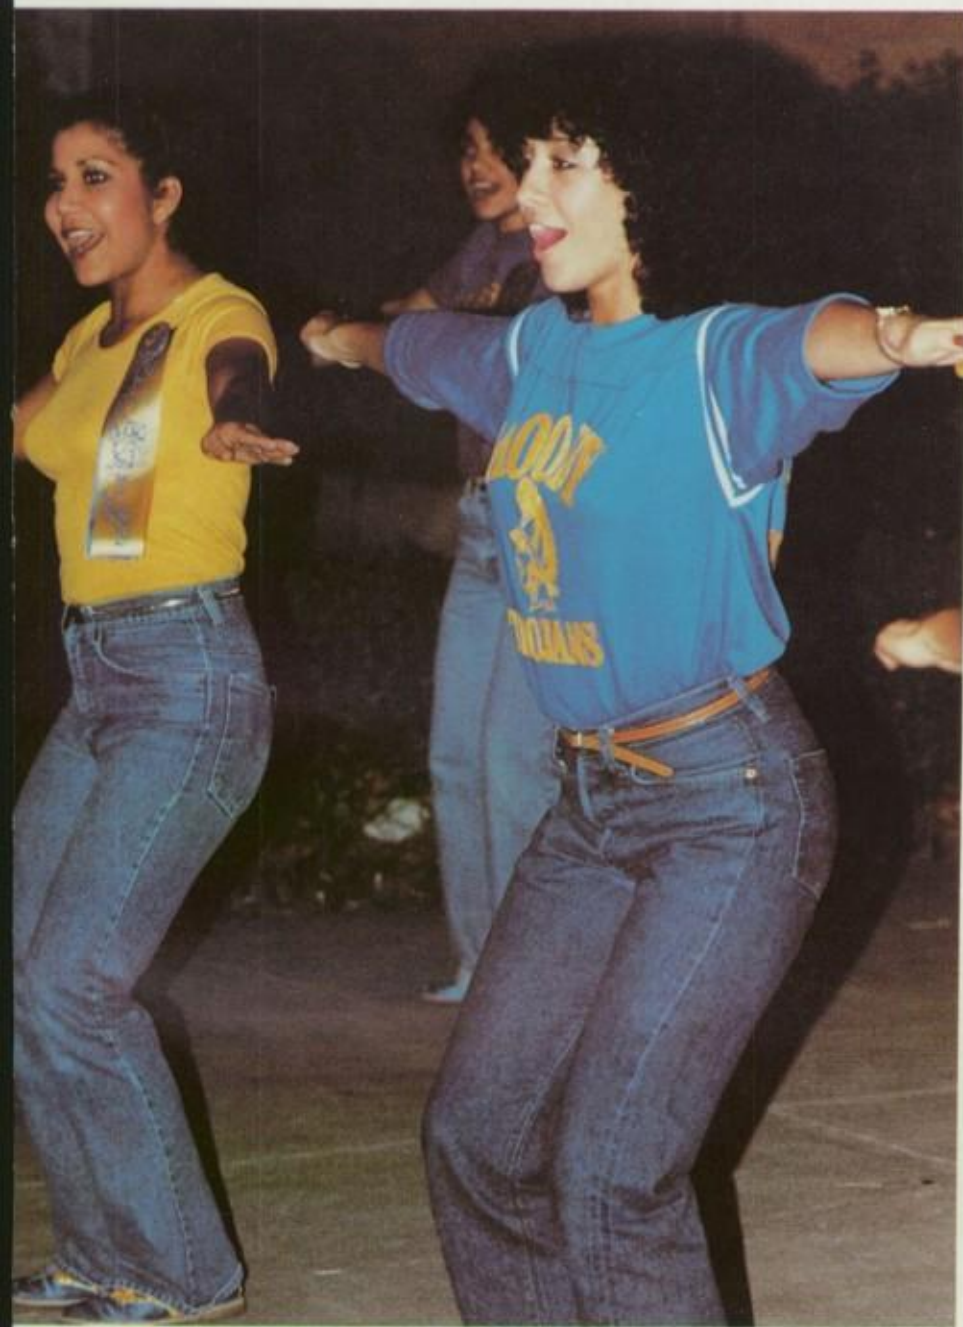

In addition to the required courses students take, there are many additional or elective courses offered to our student body. Three such courses are theater arts, piano, and guitar. Mr. Jerry Muttera, new to Moody this year, heads the theater arts department. Students in his class are taught self-expression and communication through

acting skills. If you're more musically inclined, piano and guitar are taught by Mr. Loyd Lott and Mr. Jerry Perales. Moody is the only area high school that has the necessary facilities to teach piano. Each of these courses gives our students a chance to express, improve or maybe even discover their musical capabilities.

NIGHT RALLY INCREASES SPIRIT

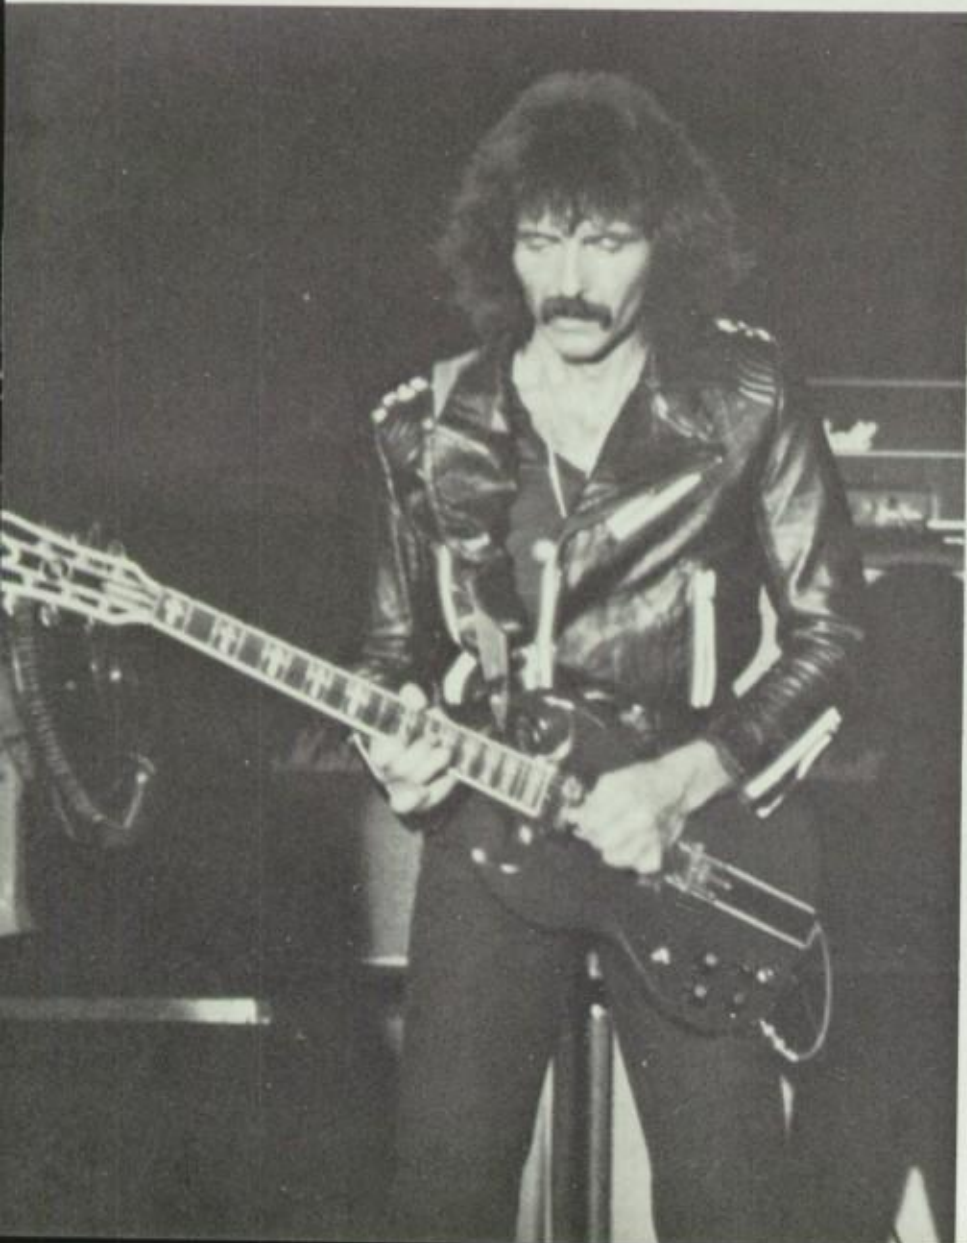

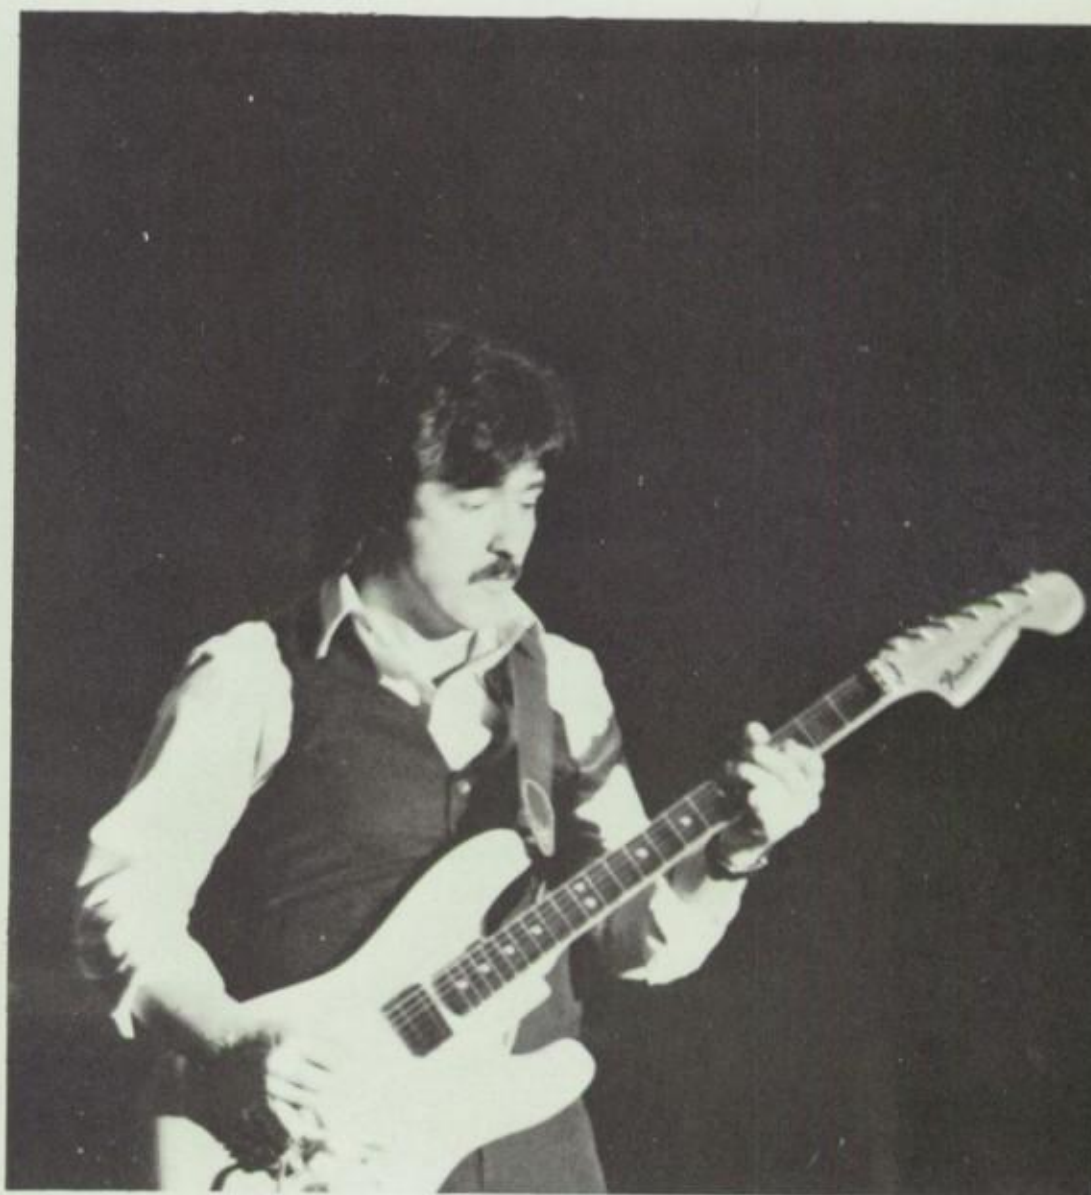

As the evening descends, Moody High School students gather in front of the school for an outdoor pep rally. The cheerleaders, wearing their jeans and T-shirts, sing chants and motivate the students' spirit. The crowd disperses and students hop in cars or trucks to start our first annual caravan procession. The car's, brightly decorated in blue and gold, can be seen for blocks. As the cars travel through the streets of Corpus Christi, one could hear students shouting, chanting and honking horns. They travel downtown and stop near the KEYS studio where students wave their Number One foam rubber hands. Afterwards, there is a mass migration to Carroll High School. "We're number one!" could be heard echoing through Carroll's usually-empty parking lot. The festive mood continues throughout Friday and helped the Trojans beat the Tigers 26-7.

MUSIC

80'S
STYLE

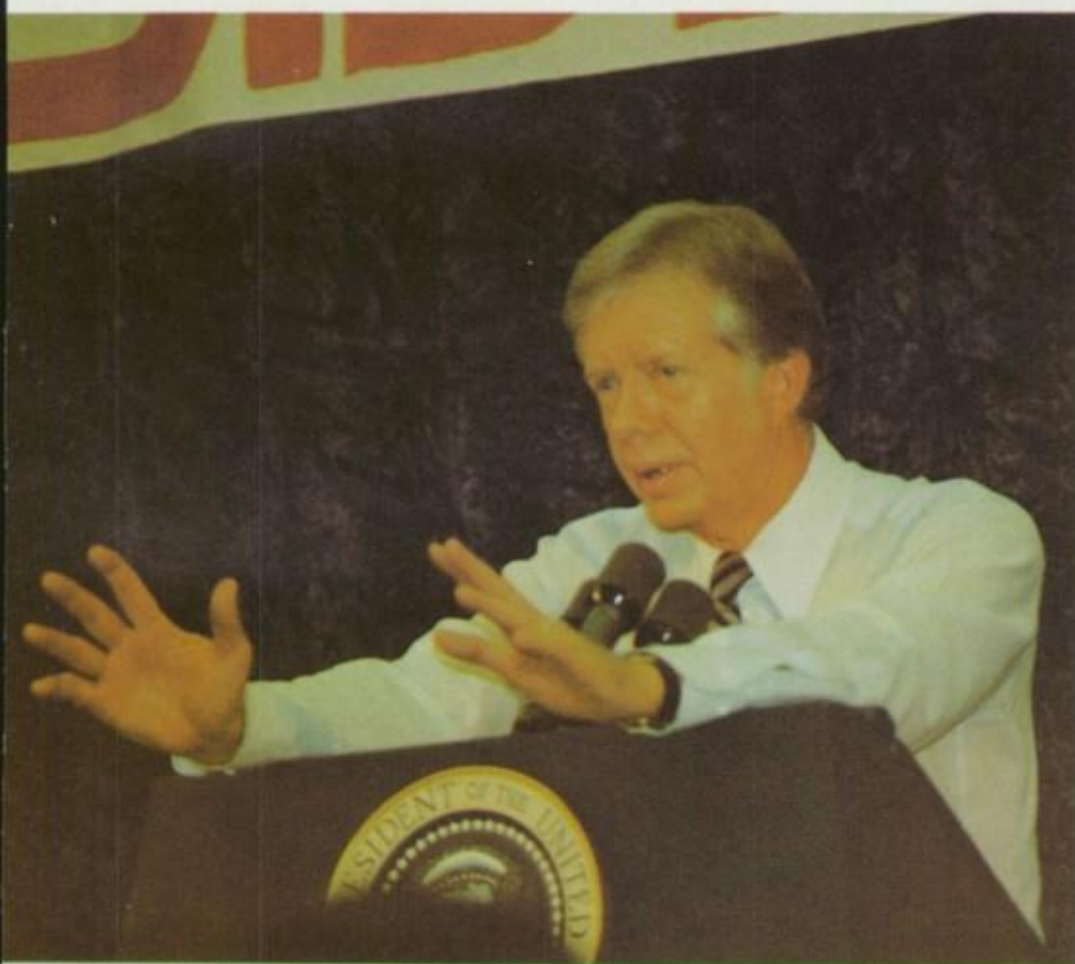

Radios are not allowed within the Moody campus. However, music does play an important part in students' lives. Whether your style is reflected in the mellow ballads of Barry Manilow or in the dynamic sound of Rush, there is a wide variety of sounds from which to choose. At times, Corpus Christi plays host to visiting bands. Shown on these pages are members of the rock groups Rush, Black Sabbath, Ted Nugent, and Judas Priest. Photos by Ernie Guerra.

**CARTER
HOLDS
TOWN
MEETING**

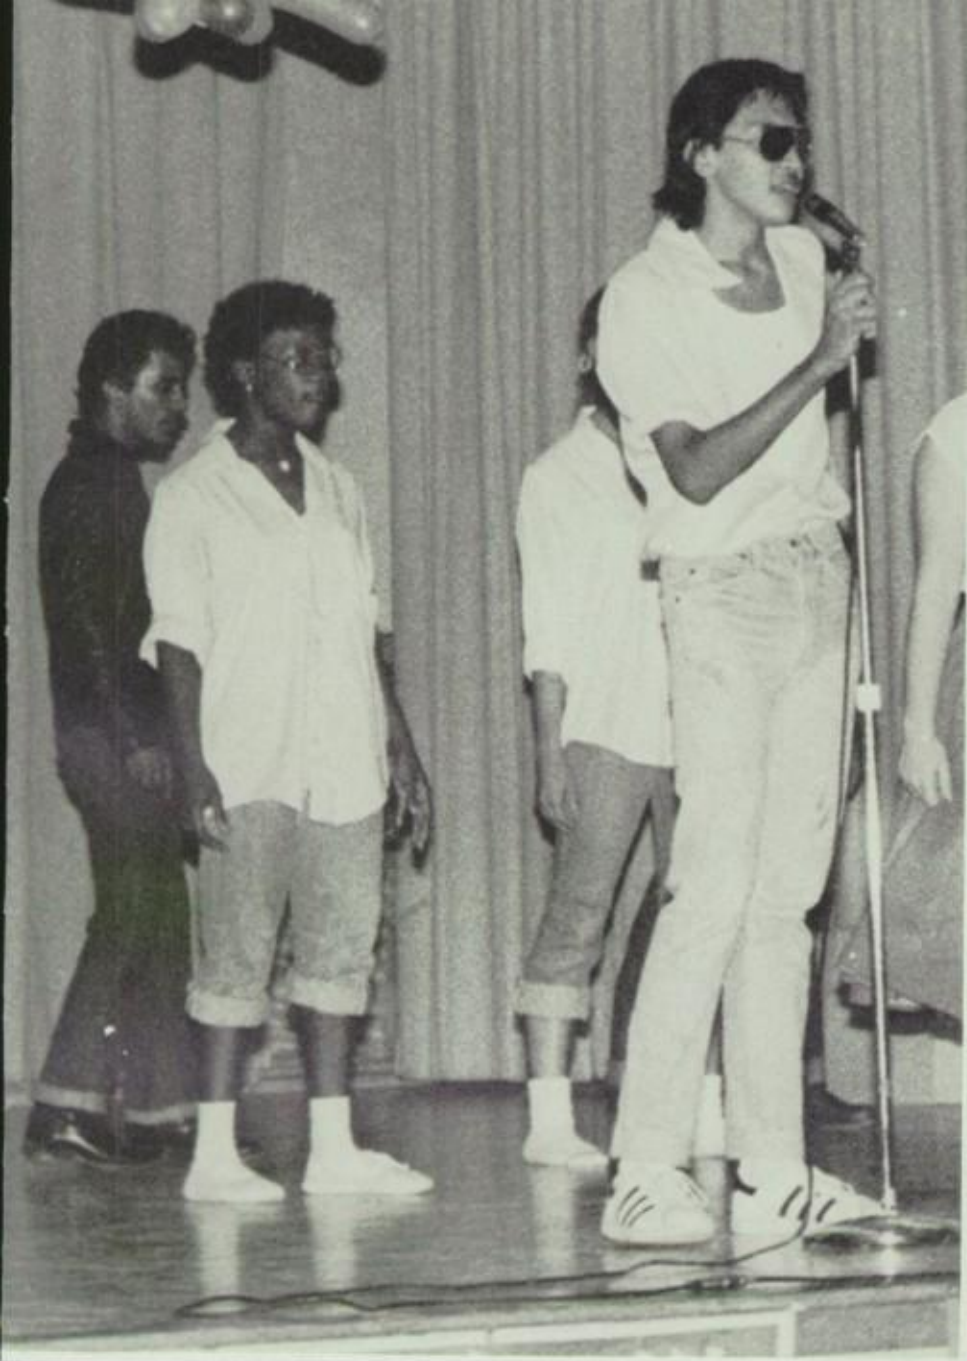

Moody High School was turned upside down for days in preparation for president Carter's September 15 visit. Lawns were mowed, trees were trimmed and rooms were painted in expectation of Carter's arrival. Secret service agents checked entrances, exits and possible escape routes with meticulous care. Forty additional telephones were installed. Finally, as anticipation increased, the president arrived to preside over his Corpus Christi town hall meeting. About 1,400 persons crowded into the gym for the hour-long session. Twenty-three persons were selected to ask the president a question. Tony Martinez, senior, was one of those elected. "At first I was scared. I didn't expect it because I was raising my hand for another guy. I didn't even have a question. Afterwards, I felt important, and when I realized what had happened, I began to feel proud," Tony said.

ROCK &
ROLL

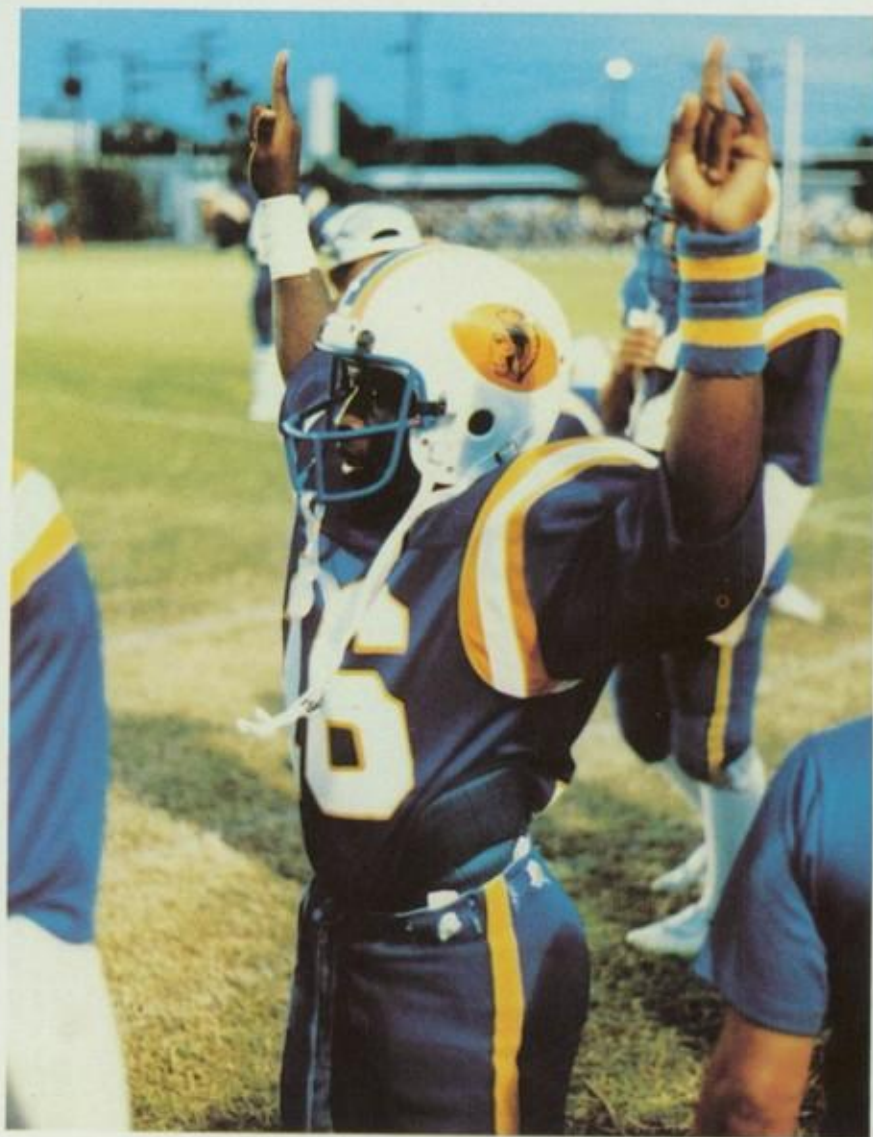

"Duke of Earl" was a popular song back in the 50's, and thanks to the Moody Blues it is once again being heard and appreciated. Other songs performed by the group are "Rock around the 50's," and "Last Kiss." The Moody Blues have been a popular part of Moody High School since 1969, when the group was first started. The group is still going strong as proved by their October 16 concert when they packed over 300 people into the cafeteria. There are 15 members in the group and they are as follows: Estela Alvarado, Donna Booker, Rosie Cano, Luis Estrada, James Esparza, Rossanna Garza, Mike Landa, Natalie Malik, Janet Lawson, Alma Sanchez, Julie Soliz, Clay Stewart, Richard Valle, Martin Villegas, and Tim Williams.

A NIGHT
OF TRICKS
OR
TREATS

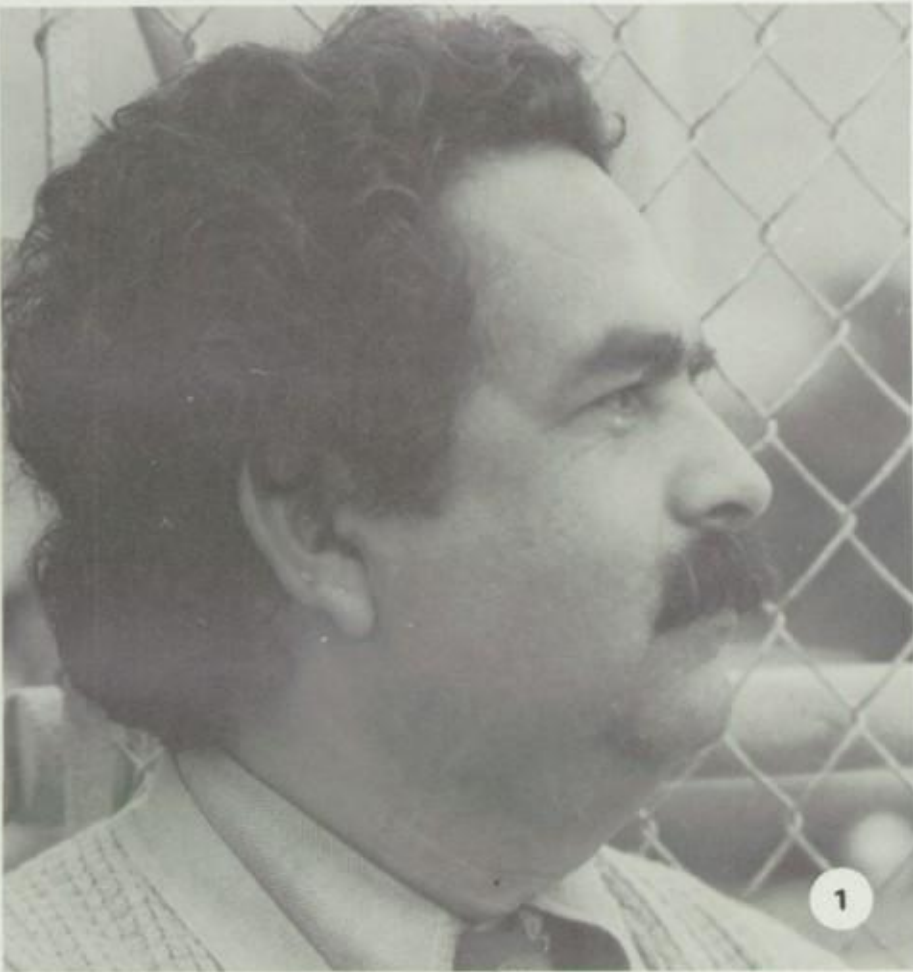

Tricks are for kids and Moody High School students, too. Halloween and the Moody PTSA carnival come only once a year. October 31, a night full of the Halloween spirit, is the time for the club members to man their booths in order to raise funds for the year. Everything from cookies to chalupas could be bought from the many booths aligned along the halls. And for those people not interested in food, there were many games to play like the baseball toss and ring toss. There was even shotgun marriages for those couples interested in a quick ceremony.

BAYFEST CAPTURES STUDENT TALENT

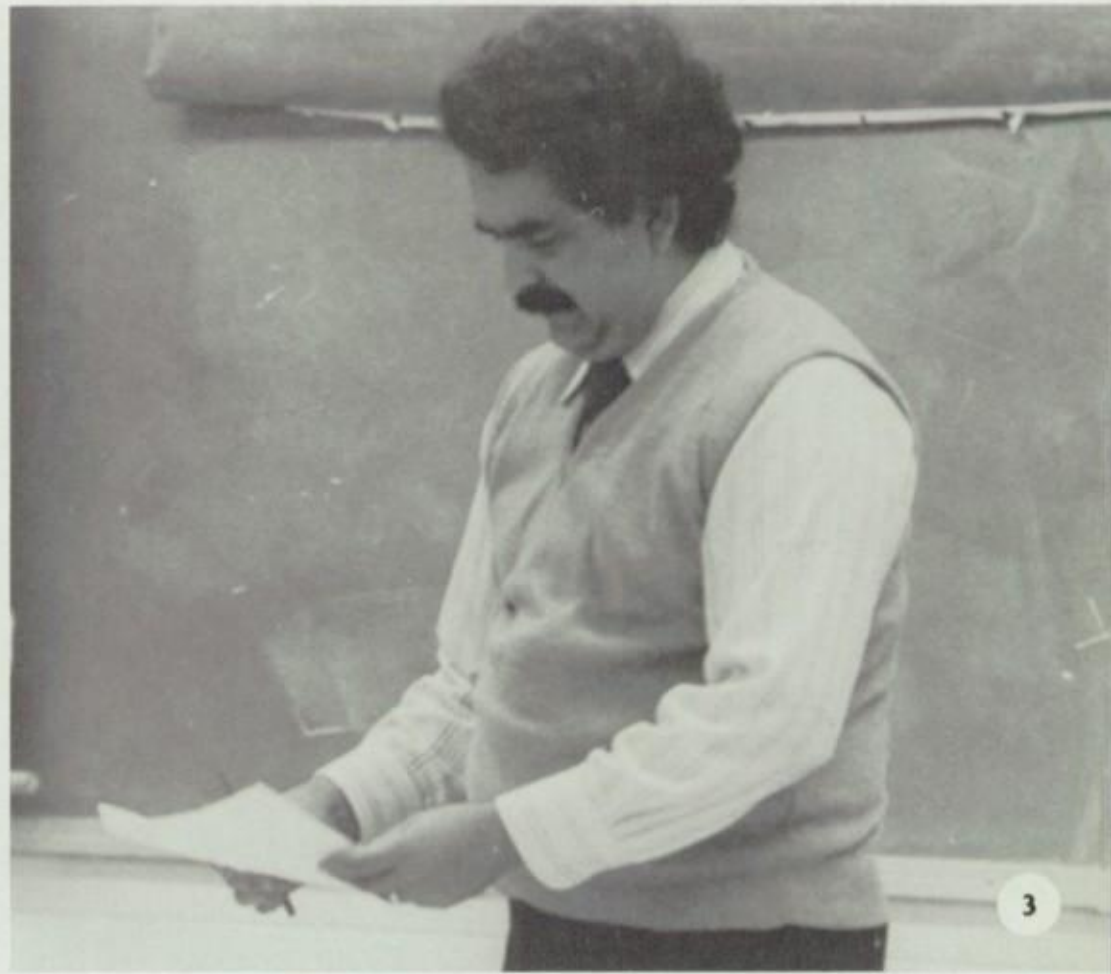

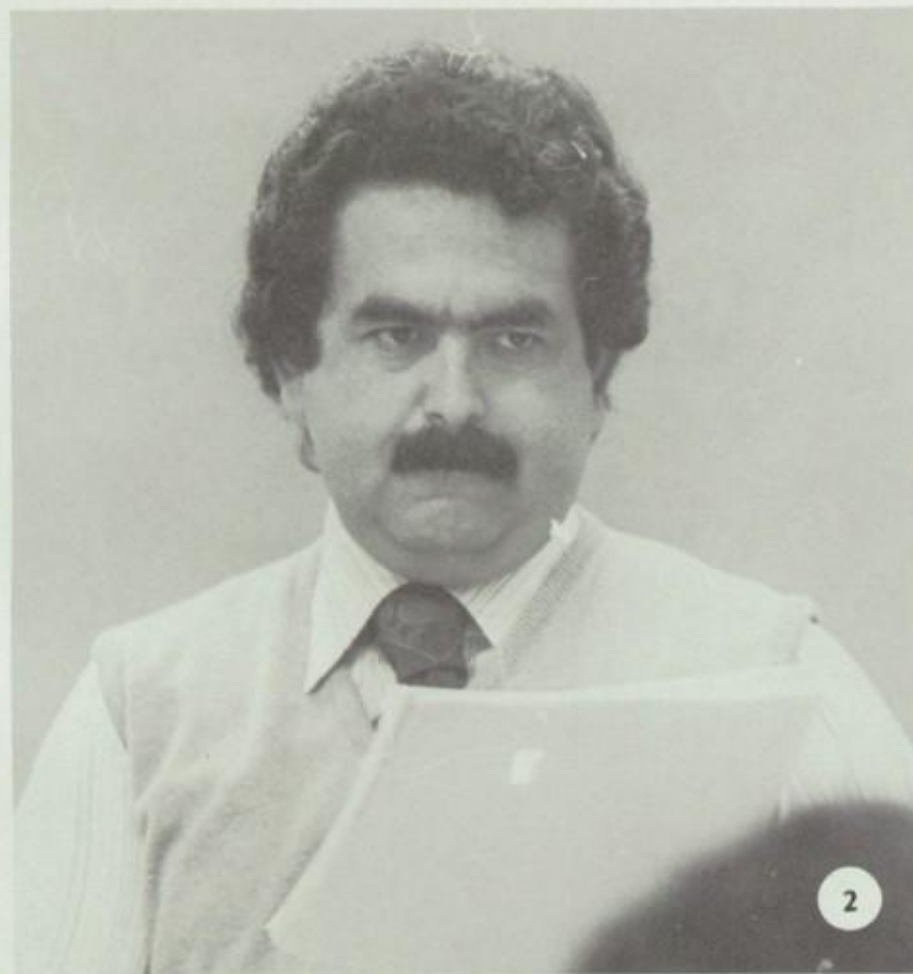

The day Bayfest '80 was to open, rain poured down making it impossible for the festivities to begin. The following day's weather proved better, and Bayfest activities finally started. Several Moody students added their talents to performing musical groups. Jerry Hernandez, junior, played trumpet for Jerry's Gang. Junior Belinda Beltran sang for Irom Sledge. This same group invited Mike Mata, also a junior, to be their guest singer.

HARD WORKING TEACHER HONORED

Mr. Frank Lucido has been a long time member of the Moody High School staff. His hard work and dedication to the school and students have earned him the honor of being selected as the teacher for this year's Golden Shield dedication. Their other goal is to assist Moody High and Principal Ed Grant in raising money to buy things for the school. N.H.S. Produces Leadership

In order for a student to be inducted into the National Honor Society, he or she must meet certain criteria. He must maintain a 3.0 grade average, have a high moral character and receive good recommendations from teachers. The N.H.S.' main goal is to raise money for a scholarship fund given to a graduating senior who is an N.H.S. member. Fund raising activities this year included selling Cokes at the Halloween Carnival, and a rummage sale in spring. Along with their fund raising activities the members also helped a needy family at Christmas and sponsored a party with senior citizens at a local center. Staff Works Hard For Improvement

"Where are my pictures," "Are we going to work Saturday," "Andrew did you print my pictures," "Help me think of a headline Isauro," "People, get to work we have a deadline!" All these phrases were heard every day during sixth period when the yearbook staff met and worked on the Golden Shield. This year the staff strived to attain perfection. They united and committed themselves to produce quality pictures which were carefully screened by the editors and yearbook adviser, Ms. Mandy Matthews. "No, you can't use this picture-it's blurry" was heard many times when the photographers printed blurry pictures. "You need more copy" was often announced by the editors when students did not write enough information. All the work was necessary to make the The Golden Shield something students and faculty would admire. This is not an easy class; you have to work hard," said Ms. Matthews. As the year progressed, the staff worked long hours after school and on Saturdays. We learned that it was hard, but it was worthwhile.

80-81 Trojan Cheerleaders

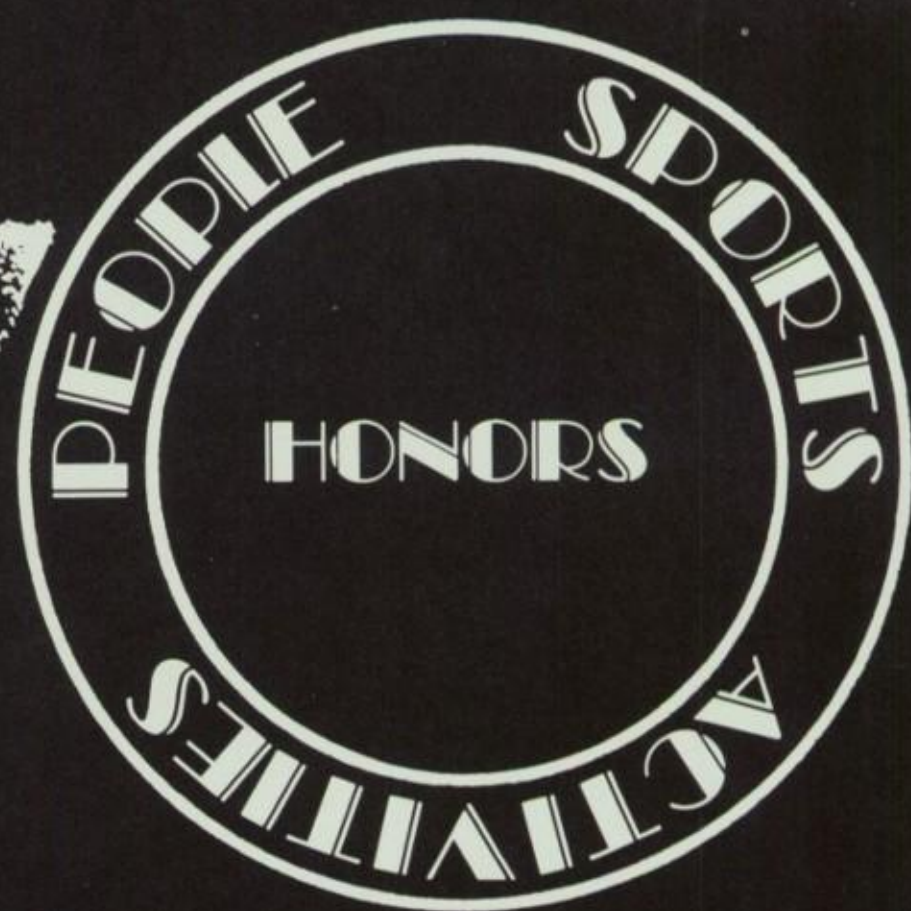

Squad Wins Superior Award

Hard work, four superior ratings and long hours of practice resulted in one of the best cheerleading squads Moody has had in a long time, according to Ms. Sylvia Charles, this year's sponsor. Even though most of the pep rallies were held in the cafeteria this year, the cheerleaders acted above and beyond the call of duty to raise Trojan spirit. This year's head cheerleader was Sylvia Soliz. The squad was composed of three juniors and six seniors. Last summer the cheerleaders earned several honors at summer camp. They gained four superior ratings which made them tops among the area high schools. According to senior cheerleader, Velma Ramirez, this year's sponsor's diligent effort in working with the cheerleaders really paid off. "I'll always remember this year as my best year in high school", said senior cheerleader Mary Alice Martinez.

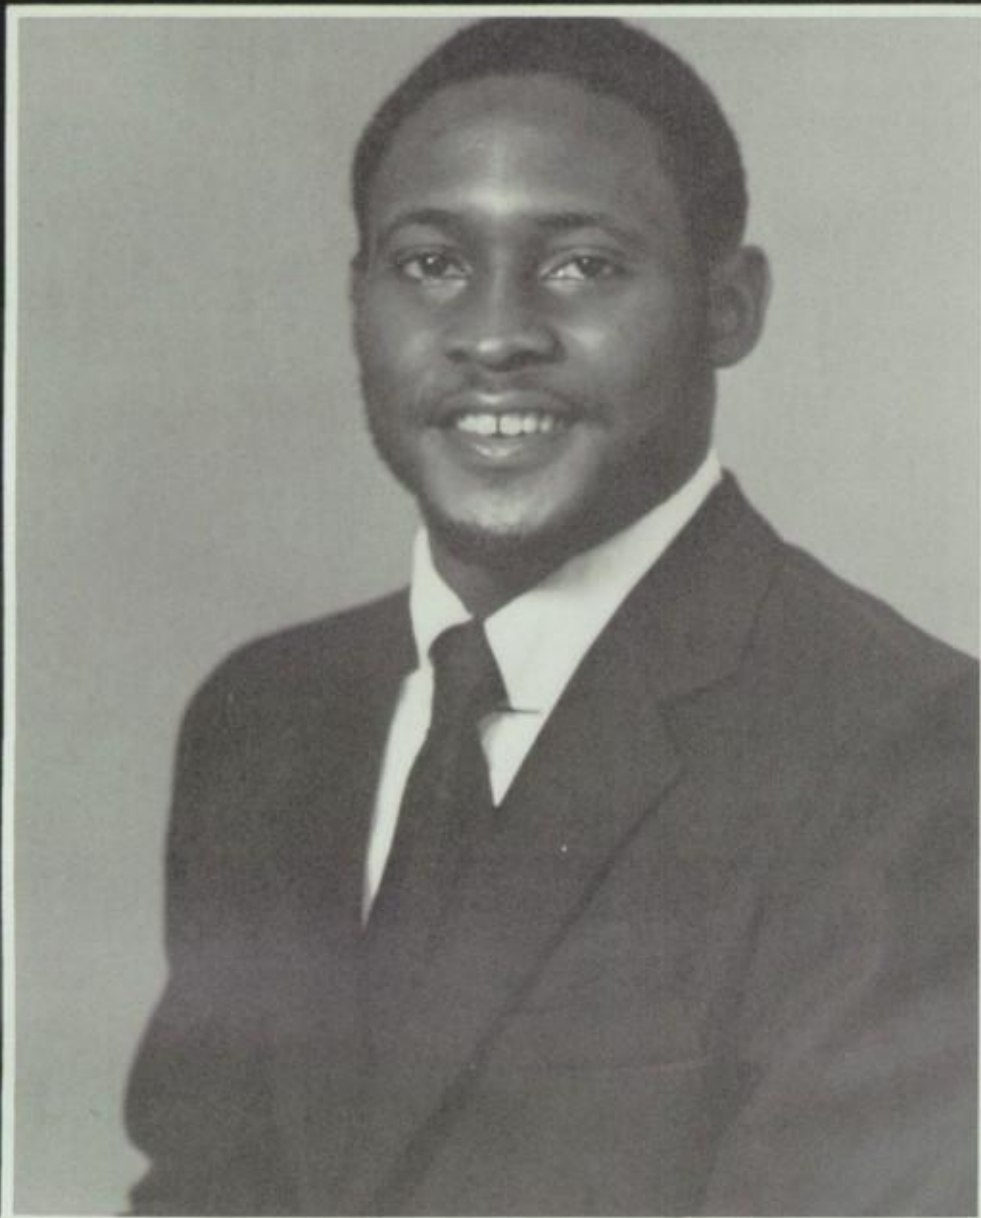

1. Esther Casteneda is concerned over an injured player. 2. Mary Alice Martinez is relieved at the first Trojan score of the game. 3. Sylvia shows enthusiasm at a pep rally.

An Evening in Paris

"An Evening in Paris" was the theme chosen for the Student Senate's Fourteenth Annual Favorites Dance. According to the Student Senate's Executive Board, the title was a good choice because it provided a romantic mood. The Senate officers and members contributed time and work to the production of the dance. A Parisian atmosphere prevailed as wine bottles were placed on the tables, and a replica of the Eiffel Tower dominated the center of the dance floor. Two hundred and fifty people attended. The profits were added to the fund for the Student Senate gift.

1. A towering Eiffel Tower was the center of attraction on the dance floor. 2. Dancers enjoy the music as they anticipate the announcement of favorites. 3. The essence of Paris is evident as the Arc of Triumph greets the guest.

The Hall of Fame has become a traditional means of recognizing outstanding senior graduates. Faculty members were asked to nominate students whom they felt exemplified Hall of Fame characteristics. After these nominations were compiled, a faculty committee selected these students to become members of Moody's Hall of Fame. Their photographs hang in the front entrance.

Nieto, Intelligence And More

Which Moody student has never made a C throughout his years in high school, has been accepted to Yale University, and has personally met Senator Edward Kennedy during a trip to Washington D.C.? The answer, Robert Nieto. Yes, this outstanding student has never made a C or below in any of his classes. And what kind of classes does he have? Not art, homemaking, or basic math. Instead he has taken many weighted courses including elementary analysis, trigonometry, and second year chemistry. And along with his advanced academic courses he still finds time to participate in school clubs and organizations. Robert has been a part of Key Club since his sophomore year, when he was recognized as most outstanding Key Club officer. In Key Club he also served as treasurer and for a time served as Lt. Governor for his district. He has been a three year member of the National Honor Society and the Mu Alpha Theta. Robert has been accepted to Yale University, one of the most prestigious Ivy league schools in the country. At Yale he plans to work towards his B.S. in chemical or mechanical engineering and consequently pursue a career in engineering or some other related field. Bobby's hobbies are reading, drawing, running, and playing the piano. His favorite music is pop rock; he prefers the music of Billy Joel, Lynda Ronstadt and Olivia Newton-John.

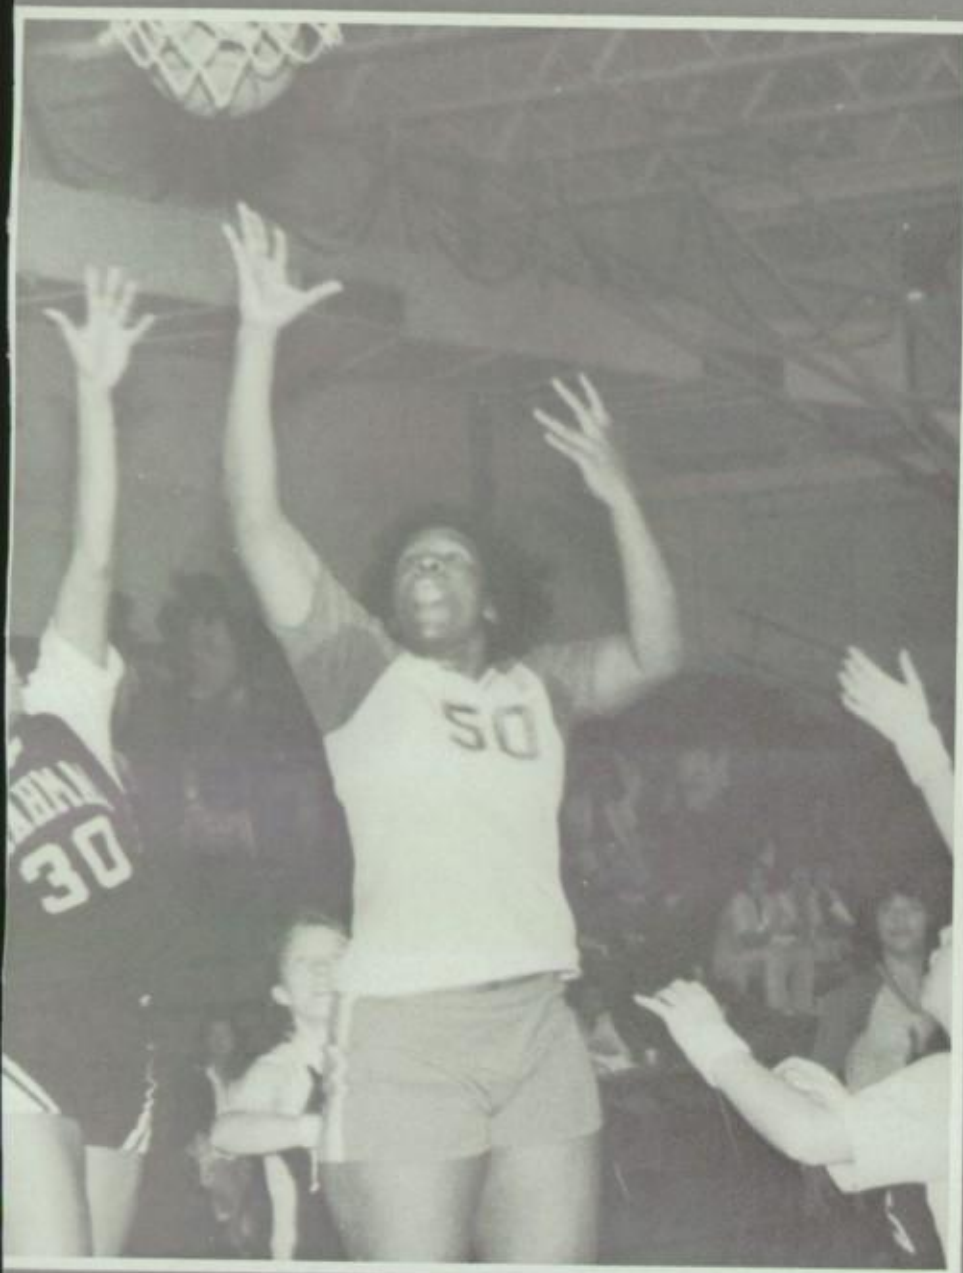

This year Robert attended a series of workshops held in Washington D.C.. The purpose of the workshops was to get students interested in our Federal Government. Robert met Edward Kennedy during his week long session, where senators of every state were convening. Robert's long range plans are undetermined since he wants to venture into many different areas. He has high aspirations of being in the limelight in either a science career or as "a human issues fighter."

Elizondo, Moody's Promising Artist

Andrew Elizondo became interested in drawing when he was only seven years old. Eleven years later he still enjoys drawing and painting. He prefers portrait painting and has a talent for capturing facial features, especially those of women. Andrew prefers painting women because he feels that women he can use various colors that only women project. He works with paints, pastels, pencil and chalks. He likes painting on paper and canvas but does not restrict himself to these two things. He has drawn on walls and has several T-shirts that have a colorful painting of Donna Summer, Carly Simon, or Bette Midler. One of Andrew's other hobbies is photograph, and he uses his photographs in his portrait painting. He also likes listening to music and has no discriminating tastes in what he listens to; however, some of his favorites are Blondie, Donna Summer, and Pat Benatar. After high school he plans to attend The Art Institute of Houston and major in advertising or fashion illustration. His long range goal is to become well-known in the area he likes the most, art.

Davis, Outstanding Athlete

Basketball and track are two sports Debra Davis has excelled in. Debra, a senior, enjoys all kinds of sports, but basketball and track are her favorites. She is one of the top female athletes at Moody and has participated in sports since her sophomore year. Throughout her high school years she has won many awards in sports. For her basketball achievements she was recognized as all district girl by the Caller Times and was the second leading scorer in her district. In track Debra received many awards including the All American track state finalist in 78, regional finalist in 79-80, best shotput and discus thrower in state, and outstanding track student in 1980. Aside from sports Debra enjoys reading and can be frequently found in the library thumbing through a book or reading a novel. Her favorite subject is English and not physical education as most people would suspect. Debra has been accepted to many universities and colleges including Lake Charles in Iowa, Ames, and Anglo State; however, she plans to attend McNeese university where she will major in accounting.

Music Is His Life

Roger Vera is an accomplished musician; he has been playing the trumpet for five years, also plays guitar, piano, and violin. He was taught to play the trumpet by his grandfather. Roger admires and respects his grandfather; his grandfather, like him was a musician as a youngster. Roger has won many awards including the University Interscholastic League Solo Ensemble as a freshman. His sophomore year he received first division solo in city and state and was voted the most outstanding student in band. As a junior he has won All-Region orchestra, All-Region Jazz Anseble, All-Region band, and All-District band. Aside from band, Roger participates in many other extracurricular activities such as Christ the King choir, Christ the King prayer group, Corpus Christi Youth Symphony and the Moody Chess Club. His favorite sports are bowling, basketball and baseball. After graduating from high school, Roger plans to attend Del Mar for two years and consequently enroll into the Juliard School of Music in New York. His long range plans include acquiring a PhD in music and becoming a professional trumpet player like his idol Doc Severinson.

Sophomores Begin Three-Year Project

This years council officers are: President, Blanca Mireles; Vice-President, Gracie Ymbert; Secretary, Noelia Vela; Treasurer, Gracie Campos; Sergeant-at-Arms, Victor Martinez; Reporter, Laurie Cervantes. The Council's goal is to raise enough money for a successful senior prom in their senior year. To raise money the council has had several projects: carwashes, raffles, bottle drives, etc. Mrs. Dena Blocker is this year's Sophomore Council sponsor.

Those Special Moments

The school year of 1980-81 has finally come to an end. For sophomores and juniors, it may have been just another year, but for seniors it was a time to say farewell and look forward to the future. As we look back we will all remember the activities we took part in, the games, the clubs, and the friendships which we acquired. High school was an exciting and special time for everyone: a time which will not easily be forgotten. I would like to thank Miss Matthews for all her moral support and the endless work put in after school and on weekends. Her patience and understanding were all a part of being our yearbook sponsor. Her unselfish dedication and outgoing character are what kept us all going. I would also like to thank Mr. John Penry, our Josten's/American Yearbook Co. representative, to know how much we appreciated his help.

The yearbook staff was excellent. They have worked hard and put forth their best efforts. Thanks to the following: Andrew Elizondo, Isauro Flores, Laurie Cervantes, Charles Barroso, Maricela Flores, Ken Solis, Amelia Perez, Nancy Vera, Rosie Betancourt, Kelly Hernandez, Rosemary Gonazales, Ruthie Aguirre, Sandra Sada, Lisa Tillman, Velma Ramirez and Fidel Perez. We all went through many hectic times together, but there were twice as many good times which will never be erased from our memories. I hope you enjoy the effort we put into producing this yearbook.

Sincerely,
Hector Duarte
